

FULL-TIME, MASTER'S RESIDENTIAL PROGRAMS

8 January 2026

Public Notice

Johns Hopkins Whiting School of Engineering (WSE) is pleased to invite current seniors from partner institutions listed below to apply for admission into one of our more than 15 master's programs this fall, beginning August 2026. Furthermore, with \$1M allotted for fellowships for the upcoming term, we will award merit-based WSE **Dean's Master's Fellowship for qualified students** across our partnership institutions in India. This special, merit-based fellowship **is tax free***. Applications must be submitted by the [program's deadline](#) to receive the fellowship. We have also listed the deadlines below, and you can find additional admissions details on our [website](#).

There is no application fee, and the GRE is not required to submit your application. To apply, students should provide two to three letters of recommendation, a statement of purpose, and unofficial transcripts. We do accept waivers for English language proficiency. Applicants can submit a waiver request directly in the application and should select "Language of Instruction" as the reason for the waiver. Visit our admissions website to learn more about the application process.

On [Wednesday, January 14](#) at 8 a.m. ET/5:30 p.m. IST, we are hosting a special information session to cover admissions requirements, student resources, details about the Dean's Master's Fellowship, and more.

Partner Institutions

- Amity University
- Indian Institute of Technology Bombay
- Indian Institute of Technology Delhi
- Indian Institute of Technology Gandhinagar
- Indian Institute of Technology Kanpur
- Indian Institute of Technology Madras
- MIT World Peace University (MIT-WPU)
- Vellore Institute of Technology (all campuses)

*Must be enrolled as a full-time, residential master's student to receive the fellowship.

Sridevi V. Sarma
Vice Dean for Graduate Education
Professor of Biomedical Engineering, Institute for Computational Medicine
Johns Hopkins University, Whiting School of Engineering

FULL-TIME, MASTER'S RESIDENTIAL PROGRAMS

APPLICATION MATERIAL REQUIREMENTS

Materials vary by master's program and are dependent on the program selected in your application.

Materials

- Letters of Recommendation: REQUIRED (2-3, varies by program)
- Statement of Purpose: REQUIRED for all
- Resume/CV: Required/Optional (varies by program)
- Personal Statement: OPTIONAL
- Unofficial Transcripts: REQUIRED (for every college/university attended)

Application Fee

- No application fee for Fall 2026 applicants

Graduate Record Exam (GRE)

- No GRE required for Fall 2026 applicants

English Language Proficiency

- Tests accepted: TOEFL, IELTS, or Cambridge
- NOT Accepted: Duolingo or TOEFL Essentials Test
- Waiver requests are accepted. Applicants can submit a waiver request directly in the application. Applicants can select "Language of Instruction" as the reason for the waiver.
- Programs will use unofficial test scores for review while awaiting the official scores from the Testing Agency.

FULL-TIME MASTER'S RESIDENTIAL PROGRAMS NO APPLICATION FEE. NO GRE REQUIRED.

MASTER'S APPLICATION DEADLINES

• Applied Mathematics and Statistics	• February 15
• Biomedical Engineering	• January 15
• Chemical and Biomolecular Engineering	• February 15
• Civil Engineering	• March 15
• Computer Science	• February 15
• Data Science	• February 15
• Electrical and Computer Engineering	• February 15
• Engineering Management	• March 15
• Environmental Health & Engineering	• May 1
• Global Innovation and Leadership through Engineering	• March 15
• Financial Mathematics	• February 15
• Materials Science	• February 15
• Mechanical Engineering	• December 15
• Occupational and Environmental Hygiene	• May 1
• Robotics	• January 15
• Security Informatics	• March 15
• Systems Engineering	• March 15
