College  
LONDON

Join the EPSRC Centre for Doctoral Training in  
Advanced Engineering for **Personalised Surgery &  
Intervention (PSI CDT)** as a **Hinduja PhD Scholar**

HINDUJA FOUNDATION

## HINDUJA PhD SCHOLARSHIPS\*

### Tax-Free Stipend

£24,780 p.a. (2025-26 Academic Year)

### Tuition Fees

full coverage of international rate

### Conference Travel

and research consumables up to £20,000

## OVER FOUR YEARS

start your journey with us

## Apply Now

Call 1: 20.10.25 to 23.11.25

Call 2: 05.01.26 to 01.02.26

Call 3: 02.03.26 to 29.03.26

## PSI CDT

Funded by UKRI's [Engineering & Physical Sciences Research Council](#) and based in the School of [Biomedical Engineering & Imaging Sciences](#) at King's College London, our ambition is to train research students whose work will make a profound contribution in surgical and interventional health technologies, improving healthcare for millions.

Thanks to the generosity of the Hinduja Foundation UK, we are looking to recruit up to 10 Hinduja Scholars over the next 5 years to be part of our mission to engineer innovation in surgery and intervention.

\*Please note that Hinduja PhD Scholarships **do not** cover the costs associated with travelling to the UK to commence study, such as [visa fees](#) and [IHS](#).

For more information, check out our [e-booklet](#), visit our website, or contact [PSI-CDT@kcl.ac.uk](mailto:PSI-CDT@kcl.ac.uk).
