## Poster Guidelines

- The overall size of the poster shall be limited to 2' × 3' and the poster should be in portrait.
- Participants are free to choose the colour scheme that is appropriate to make the poster easy to read and comprehend for your nature of work.
- Each poster should have the track (T1/T2/T3/T4) mentioned on the conference logo (Arial 125 Pts.) as indicated in this sample. The background colour of the conference logo and the title can be edited to suit the colour scheme of your poster.
- Ensure that the size of the logo (including aspect ratio) and the location of the track number on the logo are carefully aligned as indicated in this sample.
- Many awards are waiting for you in the poster session.
- The organization, flow and clarity of the information presented (selection of suitable font, font size, layout, etc.) will be considered towards presentation efficacy for evaluation of the best poster award.
- Please note that this is only a guideline, you can use your creativity to make the poster as appealing as possible.
- For ease of editing, the logo and the background of logo are given separately as follows:

Size 7.5 cm × 7.5 cm

Size 7.5 cm × 7.5 cm

T#

Arial 125 Pts.
