## International Conference on Ships and Offshore Structures

[ge.iitm.ac.in/icsos-2024/](http://ge.iitm.ac.in/icsos-2024/)

# About

The ninth International Conference on Ships and Offshore Structures (ICSOS) 2024 will be hosted by Department of Ocean Engineering, Indian Institute of Technology Madras, Chennai, India.

## Conference dates

**8 September to 12 September, 2024.**

**Registration** 8 September

**Conference** Monday to Wednesday, 8 - 11 September

**Technical Tour** Thursday, 12 September

# Organizing Committee

## Patron

---

**Prof. V. Kamakoti**

Director

Indian Institute of Technology Madras, Chennai, INDIA

## Conference chair

---

**Prof. S. Nallayarasu**

HOD, Department of Ocean Engineering

Indian Institute of Technology Madras, Chennai, INDIA

## Organizing Secretary

---

**Prof. R. Panneer Selvam**

Department of Ocean Engineering

Indian Institute of Technology Madras, Chennai, INDIA

## Conference co-chair

---

**Prof. DSc. (Tech.) Sören Ehlers**

Full Professor at Hamburg University of Technology (TUHH)

Institute for Ship Structural Design and Analysis (M-10)

**Prof. Dr. Jeom Kee Paik FREng**

Professor of Marine Technology at University College London, UK

Chair Professor at Ningbo University, China

Chair Professor at Harbin Engineering University, China

# Registration

## Foreign Delegates (Registration fee includes accommodation in campus)

- Registration fee including accommodation for single person in Campus - USD 500  
Includes all events related to conferences except local tour on Sep 12
