IIT Madras

## About YIF

Young International Faculty (YIF) is a new program launched by IITM, focusing on recruiting full-time foreign faculty at the equivalent level of Assistant Professor.

Its primary goal is to connect with doctoral graduates or post-doctorates (equivalent to Assistant Professors) who are highly dedicated to academic research and enthusiastic about teaming up with IIT Madras researchers.

YIF can jointly supervise M.S. and Ph.D. students and also aid in teaching.

YIF participants conduct a single course per semester and have the opportunity to propose elective classes.

## Eligibility

- Ph.D. / Post Doctoral / Early career young faculty with Ph.D.
- Foreign citizens (Non-OCIs and Non-Indian Citizens)

## Remuneration

- IITM offers a salary at par with the Assistant professor level, including all benefits, up to INR 1,80,000/ month (Subject to relevant experience).

## Contract Period

- Initially for a period of 2 years, extendable up to 5 years based on performance.

## Other Benefits

- Accelerated recruitment process
- Housing Assistance
- Opportunity to benefit from IIT Madras' robust Startup Ecosystem and Research Park
- Liberal consultancy policy, including projects from foreign companies
- Active Involvement in Socially Relevant CSR Projects
- 60 days of paid vacation per year (or work during the 60 days with an additional 30 days of salary)
- All benefits on par with regular IITM faculty
- Comprehensive medical coverage for the faculty and immediate family members
- Relocation Allowance
- Professional Development Allowance: Up to €3,000/year to attend and present papers at national and international conferences.
- Home Travel Allowance: Up to €650/year (Included in Total Compensation)
- Policy and provisions for enabling international research collaborations.
